

# 9W to 20W Two-In-One Solar Street Light System

## Lens based LED

For Wider Beam Angle

## LiFePO4 Battery Pack

for Long Battery Life

## Auto Dusk to Dawn

Controller

## Auto Dimming

for Power Saving

MAKE IN INDIA

## Special features:

-  Inbuilt Battery
-  Longer LED Life
-  Dusk to Dawn Automatic Operation
-  Wider Beam Angle
-  High Color Rendering Index

**2/5 Year**

Solar Light  
Warranty

**25 Year**

Solar Panel Linear  
Power Warranty

Degradation as per Industry Standard\*

## Specification

LED Lumen Output	130 lm/W
Motion Sensor	Optional
Controller Rating	6A/10A
Dusk to Dawn	Yes
Dimming	Yes
LED Dispersion Angle	120°
LED Life (TA=25°C)	50000 Hrs.
Operating Temp.	-40°C to 60°C
Light Backup Time	Full Night with Dimming

LED Watt	Battery Capacity 12.8 V LiFePO <sub>4</sub> *	Recommended Solar Panel
9W	6Ah	40W
12W	12Ah	50W
15W	12Ah	50W
20W	18Ah	75W

\*Customization available in LiFePO<sub>4</sub> Batteries
